

AMAZIN BILLIARDS

Coming soon to Peabody!

Renovations are ongoing at the new Amazin Billiards at 58 Pulaski Rear in Peabody - and it is looking good!

Since we closed our doors in Malden, we have been working hard to bring you a bigger and better venue for the fabulous sport of billiards. We will have a public hearing for a special permit before the Peabody City Council, and look forward to your support. We will keep you updated on social media.

With 20 professional pool tables, 4 professional three-cushion billiard tables, and 1 seven-footer “date-night” pool table, Amazin Billiards will be the premier pool room in the country. Owned by world-class 3-Cushion champion Mazin Shooni and Rick Burke, the room will carry on the Amazin tradition of catering to the top professional player, providing exquisite equipment maintained meticulously, sponsoring workshops and exhibitions with famous names in the field, and community support through charity events and programs for local schools.

“This is billiards at its best.”

This isn’t a neighborhood bar we’re planning, but billiards at its best.
